

Parking for the Palmerston North Convention Centre

Parking associated with the Convention Centre is behind the Convention Centre building. Enter the parking area from Church Street, just across the road from Brewers Apprentice. Parking belonging to the Convention Centre is in the back lane, to the left, and marked as such. There is an entrance into the Convention Centre building from the parking area. Should the parking allocated to the Convention Centre be full, the balance of the car park is a 'pay and display' area.
